WILLIAM WILHOIT

William Wilhoit, the subject of this discussion, lived in Madison Co., Va, and later in present Oldham Co., Ky. His wife was Elizabeth Shirley, daughter of James Shirley and wife Judith Garriott. Garr in his unpublished Wilhoit Genealogy makes this William Wilhoit the son of Tobias Wilhoit whose will, made Sept. 1, 1761, probated May 20, 1762, Culpeper Co., Va (part now Madison) mentions his two older sons, Michael and Conrade, and his two younger sons, Jesse and William Wilhoit. This I believe to be an error. Tobias Wilhoit's two older sons were old enough to be married and to have had children before 1760. The William of this article and his brother Jesse do not seem to have married until about 1780. It is unlikely that while Tobias calls his sons Jesse and William his younger sons that they were so much younger that they did not marry until 19 years after their father made his will. There were two other? brothers named Jesse? and William Wilhoit in Madison Co., Va, as shown by the will of Lewis Wilhoit of Culpeper (now Madison) Co., Va, dated Mch 26, 1783, probated May 19, 1783. This Lewis mentions brothers Jesse, Tobias, William, and Joel Wilhoit. I identify the William of this article with the brother of this Lewis (whose father was probably Matthias Wilhoit, (absolutely no evidence) son of the emigrant Michael Wilhoit). William and Jesse Wilhoit, brothers of Lewis, were certainly living in 1783. No attempt is made to distinguish them from any other William and Jesse. There is no mention of either William or Jesse that can not be referred to the brothers of Lewis. It seems very probable that the other Jesse and William, son of the Tobias who made will in 1761, died early and unmarried.

In January, 1781 a registration was made in Culpeper Co., Va, of all males between the ages of 16 and 50 for the purpose of securing recruits for the Continental Army. This list (now preserved at Richmond) gives the names of approximately 1400 men, which are divided into 106 classes of about 13 or 14 men each. One man was drafted from each class. In class 89 of this list appear 14 names, among them the names

of William Wilhoit, Jesse Wilhoit, and Joel Wilhoit. The lot fell upon Jesse Wilhoit who is called a Draft, but after his name appears that of Lewis Wilhoit, called a Substitute. This is a bit curious since his name does not appear in this class. But there can be no ? doubt that this is the Lewis who died 1785, and that Jesse, William, and Joel of this list are his brothers. Appearance of names in the same class certainly means proximity of residence.

There is no doubt that this ? William Wilhoit married Elizabeth Shirley. The Culpeper marriages do not begin to be recorded until 1781. Since neither Jesse or William's marriage is found in the Culpeper records, they were probably married before 1781, which agrees with the probable births of their oldest children. In the writer's article on Jesse Wilhoit it is shown that his oldest child, Simeon, was born about 1782. Of William Wilhoit's 10 children we have the dates of birth of 4, as follows; Frances, 1782, Lucy, 1785, Dicy Ellender, 1792, and Thomas, 1795 (exact dates will appear below). Zachariah S. Wilhoit's age is given as 55 in the 1850 census. The marriages of the other 6 occurred as follows: Eleanor, 1806, Bathsheba, 1806, Ann, 1813, Judith, 1818, and Jane, 1820, ~~and Zachariah~~, 1826 (exact dates will appear below). There is nothing about these dates that would suggest that any of them was born before 1782.

William Wilhoit was taxed where did he get it? for 100 acres in Culpeper Co., Va, 1782. In Madison Co., Va (which came off from Culpeper in 1793) he was taxed for 100 acres, yearly from 1793 to 1806, excepting for the years 1798 and 1801, when he is taxed for an additional 66 acres. He vanishes from the land tax-lists in 1806. He appears in the personal property tax-lists, Madison Co., Va, 1793-1804 (not examined later). In all this time he was the only tithable in his household. Since a son had to be 16 before being classed as a tithable, it seems that his oldest son could not have been born before 1788. After his name in the 1797 list are the letters T. K. H., which I take to mean Turkey Hole

Mountain. In my article on Jesse Wilhoit, brother of William, I show that he owned land near Turkeyhole Mountain. This mountain is about 8 miles north of Madison C. H. In 1799 William Wilhoit is called Sr. This Sr is to distinguish him from another William Wilhoit, son of Michael, son of Adam, who begins to appear on these lists in 1793, where he is described as son of Mich'l. Willian Wilhoit of this article is described as the owner of 2 slaves in 1800, and of 4 slaves in 1804.

William Wilhoit moved to Kentucky about 1806. This is the date given by one of his descendants who seems to be well-informed on the family history. It agrees with his last appearance on the Madison Co., Va, land tax-lists. His brother Jesse may have gone ~~with~~ at the same time though there is reason to believe that Jesse did not go to Kentucky until 1808. But the marriages of some of his children offer difficulty as to this date. His daughter Nellie (Eleanor) married John Pinnell, Feb. 20, 1806, Madison Co., Va, and his daughter Bathsheba married Asa McGhee, Aug. 21, 1806, Madison Co., Va. The marriages of these daughters of William Wilhoit suggest that William was still there as late as August, 1806. He could have moved later on in that year. But his daughter Lucy Wilhoit married Lawrence Clore, Jan. 1, 1805, license dated Dec. 29, 1804, Jefferson Co., Ky. If Lucy's father was still in Madison Co., Va, how did she happen to be married in Kentucky? The probability is that she went first to Kentucky to be married to a boyhood sweetheart who had preceded her there, and that William Wilhoit and family followed her in the latter part of 1806. Incidentally, this marriage of Lucy Wilhite to Lawrence Clore is the earliest Wilhite record found in Jefferson Co., Ky. The difficulty of the marriage of Thomas Wilhoit, son of William Wilhoit, will be discussed under Thomas.

William Wilhoit was taxed for 100 acres in Jefferson Co., Ky, 1808, land being on Harrod's Creek. On Aug. 13, 1810 he bought 105 acres on Harrod's Creek, Jefferson Co., Ky, of Henry Netherton and wife Caty (land described as joining David Williamson). From 1809 to 1816 he was taxed

for 105 (sometimes given as 104) acres on Harrod's Creek. The fact that he was taxed in 1809 for 105 acres indicates that he had occupied the land which he bought of Henry Netherton, 1810, at least for a year before the land was delivered to him formally. In 1810 he was taxed for 1005 acres, and on Aug. 12, 1811 he appeared before the Jefferson County court and petitioned that the number 1005 be changed to 105, as being an error. The court granted his petition. In 1817, 1818, 1819, and 1820 he was taxed for 157 acres on Harrod's Creek. In 1821 he was taxed for 163 acres on Harrod's Creek. In 1825 in Oldham Co., Ky (which came off from Jefferson, 1824) he was taxed for 157 acres on Harrod's Creek, and for 300 acres in Bullitt Co., Ky. It is curious that while a resident of Oldham he should be taxed for land in Bullitt Co. Tobias Wilhoit (brother of William) lived once in Bullitt Co., Ky. William Wilhoit's ownership of land in Bullit may have some connection with Tobias Wilhoit. In Jefferson Co., Ky, Apr. 17, 1818, William Wilhoit sold land for a meeting house to the Baptist Society. No wife signs. In Jefferson, June 23, 1821, William Wilhite sold to Henry Snyder 100 acres on Harrod's Creek, joining Isaac Smith, James Fink, and John Pringle (the writer's great-great-grandfather). In Oldham, Dec. 13, 1826 William Wilhite sold to Elijah Clore (who was his son-in-law) 162 acres on Harrod's Creek, for $2107.67. No wife signs. In Oldham, May 9, 1827, William Wilhoite sold to Jonathan Mixon in trust for the Baptist Society 5 acres and 2 poles, for a church on Harrod's Creek. No wife signs. This deed seems to be a confirmation of the deed of Apr. 17, 1818, see above. Tradition among his descendants claims that William Wilhoit donated this land for the Harrod's Creek Baptist Church. The church still stands about three-fourths of a mile northwest of the village of Brownsboro, Oldham Co., Ky. Since he gave the land for the church from his own land, we may place the Kentucky home of William Wilhoit precisely at that point. His name appears on the records of that church (which begin with Jan. 16, 1819) and the word

"dead" is written after on one roll but without date. On June 20, 1825, William Wilhoit sued Joel Yager, Oldham Co. Case postponed and Zachariah Wilhoit was summoned as witness. On July 18, 1825 the case comes up again and the court decides in favor of William Wilhoit. The last mention the writer found of William Wilhoit was on the 1851 tax-lists. He seems to have left no will nor has any settlement of estate found. His wife seems to have died before 1818 since she joins him in none of his deeds.

He is number 50 in the CH. He appears on the Lincoln Co., Ky, tax-list in 1801 but soon thereafter he went to Jefferson Co., Ky. In 1834 in Oldham Co., Ky, he was taxed for 211 and 135 acres on Harrod's Creek. Issue:

He was born July 21, 1782 and was the son of James Yewell and wife Nancy Shirley, sister of Elizabeth Shirley who married William Wilhoit. Issue:

599 acres, 1833. He married 1. Sarah Clore, Aug. 14, 1818. Gerr says this marriage occurred in Madison Co., Va, but the writer did not find it among the Madison Co., Va, marriages when he visited the Court House there. Neither is it found in the Jefferson Co., Ky, records. Thomas Wilhoit was taxed for land in Jefferson Co., Ky, 1817, but he could have returned to Virginia to marry a boyhood sweetheart. She was a sister of Elijah and Lawrence Clore who married Thomas's sisters. No doubt exists that the marriage actually occurred but the place remains in doubt. She was born Nov. 19, 1791, died July 26, 1830. She is number 56 in the CH. Issue:

65. i. William Leonard Harbold.

9. Zachariah Shirley Wilhoit (son of William Wilhoit, 1) was born about 1795, if the 1850 census of Oldham Co., Ky, is correct, and may have been a twin of Thomas. He married Orsamoon (?) or Osnon (?) Harbold (name given as Orsa in the 1860 census), Nov. 16, 1826, Jefferson Co., Ky, daughter of Leonard Harbold (probably the one whose widow married Aaron Wilhite, as his second wife, July 1, 1830, Jefferson Co., Ky). Her age is given as 43 in the 1850 census. The 1850 census describes Zachariah S. Wilhite as a farmer with property worth $8000.00. The names and ages of the children are taken from this census:

36.
i. George Wilhite, aged 13, born about 1838.
ii. Louisa Wilhite, aged 16, born about 1834.
iii. Jane Wilhite, aged 14, born about 1836.
iv. John H.(Garr gives it John R), aged 12, born about 1838.
v. Andrew I.(probably meant for J) Wilhite, aged 9, born about 1841.
vi. James M. Wilhite, aged 7, born about 1843, married (1st) Alice Pruett. (Garr fails to give Jane and Andrew).

Miss Bertram French informs me that with the death of of Elaine Luella French the last remaining chance of vanished of continuing the offspring of Thomas Wilhoit (6) by his second wife. He did however leave two daughters by his first wife whose offspring continues though none of them named Wilhoit. It may also be noted that Zachariah Shirley Wilhoit (9) has no known Wilhoit descendants. These were the only two sons of William Wilhoit (1), so it is quite possible that he has no descendants today of the Wilhoit name, with one exception.

1. Thomas Jefferson Wilhoit (son of Benjamin Wilhoit, 410) was born Aug. 28, 1813, died July 23, 1870 (according to his tombstone at Floydsburg, Ky, but Garr says, July 8, 1875), married Lucinda Vance, Aug. 10, 1837, Jefferson Co., Ky. Her age is given as 40 in the 1850 census of Oldham Co., Ky. Her tombstone at Floydsburg, Ky, gives her birth as Feb. 23, 1810, and her death as Dec. 17, 1860. The date 1860 is an error, probably someone's misreading, for she was certainly living Apr. 8, 1876. The 1850 census gives their children, with ages, as follows:

i. S. H. Wilhite (female), 12.

ii. William Wilhite, 9.

iii. Martha Wilhite, 9. (Family tradition gives her name as Martha Jane).

iv. John Wilhite, 7.

v. T. J. Wilhite(male), 5.

vi. E. M. Wilhite (male), 4.

vii. R. M. Wilhite (male), 2

A tombstone at Floydsburg, Ky, gives one James B. Wilhite, called son of T. J. and L. M. Wilhite, born Nov. 12, 1841, died Mch 13, 1868. He is not identifiable with any in the above census so we shall have to suppose that his name was accidentally omitted or else the date of his death, 1868, is an error for 1848. We also know that there was a daughter Lucinda M. Wilhoit whose tombstone inscription reads, "daughter of T. J. and L. M. Wilhoit, born Nov. 7, 1850, died May 28, 1876". As Lucinda M. Wilhite she made will Apr. 8, 1876, probated August, 1876, Oldham Co., Ky, in which she calls herself the daughter of Thomas J. Wilhite, dec'd, and leaves to her mother her entire estate which at the latter's death is to descend to her two nieces Anna Laura Jones and Mattie Dudley Jones. From other sources we know that Thomas Jefferson Wilhoit had a daughter Ruth Wilhite who married ------ Jones and had son Clarence L. Jones, living at Chattanooga, Tenn., 1925. So we add the following to the list of Thomas Jefferson Wilhoit's children:

viii. James B. Wilhite.

ix. Lucinda M. Wilhite.

x. Ruth Wilhite, married ----- Jones, had the 3 children mentioned above.

TOBIAS WILHOIT

Tobias Wilhoit of this article was born Oct. 15, 1750, died Feb. 7, 1839, in Mercer Co., Ky. He was the brother of Lewis Wilhoit who made will, Mch 26, 1783, probated May 19, 1783, Culpeper Co., Va (part now Madison), in which the testator mentions brothers Jesse, Tobias, William, and Joel Wilhoit. He directs that Jesse Wilhoit make a deed to the land to Tobias Wilhoit (the land not further specified). The testator also desires that Tobias Wilhoit keep the money he owes him As I have shown elsewhere I regard these 5 brothers as the sons of Matthias Wilhoit, son of the emigrant Michael Wilhoit.

Tobias Wilhoit served in the Revolution. His application for a pension was made Mch 14, 1833, at which time he stated that he was 83 years old and a resident of Mercer Co., Ky. He states that he moved from Culpeper Co., Va, in 1799 and that he had been living in Mercer Co., Ky, for 30 years. The reference to Culpeper seems to be an error for he appears on the tax-lists of Madison Co., Va, 1795-97, which came off from Culpeper in 1793. However it is possible that he lived in Culpeper for one or two years before going to Kentucky. The papers on file in his claim for pension (R. 11542, Revolutionary pensions, Washington, D. C.) state that he enlisted while residing in Culpeper Co., Va, Aug. 8, 1777, served 3 months as private in Capt. Ephraim Rucker's company in Col. Barbour's Virginia regiment. He enlisted again in July, 1780, served 4 weeks in Capt. Ephraim Rucker's company in Col. Barbour's regiment. He enlisted sometime in July, 1781, served 3 months in same company, same regiment, under same officers. His claim was allowed. Other papers filed with his application (probably with reference to his widow's pension) give the date of his death as Feb. 7, 1839, in Mercer Co., Ky. They show further that he married Polly Shirly in 1771 or 1776 (1771 is probably correct) in Henrico or Culpeper Co., Va. (Culpeper is undoubtedly right). The widow Polly Wilhite died in Mercer Co., Ky, Jan. 21, 1844, and was survived by the following children:

Nancy Rush, Abram Wilhite, Rody or Rhody Carpenter, William Mason Wilhite, Patsey ~~D~~ Wilhite, Nathaniel D. Wilhite, and Betsey D. Wilhite. These papers state further that Abram Wilhite and Rhody Carpenter had died "since the death of their mother" Since we learn from other records that Abram Wilhite died Jan. 10, 1851, these additional papers must be after that date but what relation they had to Tobias Wilhite's claim for pension I can not say.

Tobias Wilhite married Mary (Polly) Shirley about 1771. Their oldest child seems to have been Nathaniel D. Wilhite who was born Aug. 28, 1773. She was ~~tht~~ born Apr. 1, 1755, and was the daughter of James Shirley and wife Judith Garriott. Her sister Elizebeth Shirley married William Wilhoit, brother of Tobias, and her sister Nancy Shirley married James Yewell.

Tobias Wilhoit's name is on a petition, dated Nov. 9, 1776, Culpeper Co., Va, requesting that county clerks be required to live in the county in which they are serving. His name appears on another petition of Culpeper Co., Va, June 5, 1779, praying for a petition of the county. In Culpeper, 1782, Tobias Wilhoite was taxed for 100 acres, and in same year as Toby Wilhoit he was taxed for 1 horse, 2 head of cattle. In Madison Co., Va, he was taxed for 100 acres, 1795-94, then for 50 acres down to 1811. On Sept. 5, 1794, Madison Co., Va, Tobias Wilhoite and wife Mary sold to Jesse Wilhoite, 30 acres, "joins Turkey Hole Mountain, joins John Towles". Turkeyhole Mountain is about 8 miles due north of Madison C. H. This we are able to locate almost exact spot where Tobias Wilhoit lived in Virginia. However he vanishes from the personal property tax-lists in 1798 (1797 his last appearance). This date and not 1811 marks his removal from Madison Co. The writer has found from experience that the name in change of ownership of a piece of land often did not change in the tax-lists for some years. As we have already noted, his application for pension says that he came to Kentucky in 1799, and so we have an interim of only one or two years

to account for and perhaps not that if he gave the date 1799 as an approximation. From his application for a pension we learn that he had lived in Mercer Co., Ky, since about 1813. Between his arrival in Kentucky and 1813 he probably lived all or part of the time in Bullitt Co., Ky. His daughter Rhoda is said to have married in that county about 1806-7. A deed recorded in Jefferson Co., Ky, dated Sept. 17, 1806, conveys to Mark Fink and Tobias Willhite from Thomas Barbour and Mary, Richard Barbour and Mary, and Philip Barbour the $\frac{1}{7}$ of 5408 acres in Hardin Co., Ky. The reason for this deed being recorded in Jefferson does not appear for Tobias Wilhoit seems not to have lived in Jefferson. Neither did he ever live in Hardin so far as I know. Bullitt lies between Jefferson and Hardin. By this deed Tobias seems to have acquired a considerable amount of land, but how he disposed of it I can not say. If there was any significance in the association of Mark Fink(s) (Finks) and Tobias Wilhoit in their being joint-purchasers of this land, the writer is not aware of it.

The names of the children of Tobias Wilhoit I take from Garr's unpublished Wilhoit Genealogy though I change the order of the names.

First Generation

1. Tobias Wilhoit was born Oct. 15, 1750 in present Madison Co., Va, died Feb. 7, 1839, in Mercer Co., Ky, married Mary (Polly) Shirley, about 1771, who was born Apr. 1, 1755, died Jan. 21, 1844, in Mercer Co., Ky. Issue:

ii. Abram Wilhoit, born Jan. 7, 1774, died Jan. 10, 1871, married Elizabeth Roby. He was a Shaker. He is probably identical with the Abraham Wilhite named as one of the executors of the will of Richard Gregory, Feb 14, 1814, Mercer Co., Ky. On Aug. 9, 1816, 151 acres were surveyed for Abraham Wilhite, Mercer Co., Ky, on Kentucky River.

2. iii. Judith Wilhoit.

iv. Mary Wilhoit, married George Bailey, died before Jan. 21, 1844.

xi. Pressley Wilhoit, died before Jan. 21, 1844, married ------ Roberts, lived (according to Garr) in Nelson Co. Ky.

xii. Lucy Wilhoit.

xiii. Elizabeth (Betsey) D. Wilhoit, still living, Jan. 21, 1844, single. Shaker.

Tobias Wilhoit, the father of the above 13 children, became a Shaker and lived at their colony at Pleasant Hill, Mercer Co., Ky. Several of his children were Shakers, and since the practice of celibacy is one of their tenets, the number of descendants of Tobias becomes limited. There are no known descendants of Tobias Wilhoit, named Wilhoit.

He was the son of Michael, son of John, son of John Carpenter of Madison Co., Va. He served in the War of 181?. The sale of his estate was made in Bullitt Co., Ky, May, 182?, and in the same month, his widow and 3 youngest children joined her parents Tobias and Mary Wilhoit at the Shaker settlement as Pleasant Hill, Mercer Co., Ky. Issue:

JESSE WILHOIT

The Jesse Wilhoit of this account was born in present Madison Co., Va, about 1760, died in present Oldham Co., Ky, September, 1823, or shortly before. The date assigned his birth is but an approximation for the reason that we know of no child of Jesse who was born prior to 1782. I regard him as the Jesse mentioned as brother of Lewis Wilhoit of Culpeper Co., Va (in part now Madison), which will is dated Mch 26, 1783, probated May 19, 1783. In this will the testator specifically refers to his brothers Jesse (Jessay), Tobias, William, and Joel Wilhoit. (He also leaves bequest to Caty Coak, without showing relation). Testator desires that Jessay Wilhoit make a deed to the land to Tobias Wilhoit, and that "he may keep the money as he owes me".

The writer is firmly convinced that the above four brothers (or five, including Lewis) were the sons of Matthias Wilhoit, son of the emigrant Michael Wilhoit. He arrives at this conclusion by a process of elimination. They were not the sons of any other of said Michael's five sons, and Matthias Wilhoit (who was twice married) is eligible as to age and place to be their father. We note that Tobias Wilhoit, son of the emigrant Michael, made will Sept. 1, 1761, probated May 20, 1762, Culpeper Co., Va, in which he mentions sons Michael, Conrad, Jesse, and William (the last two being called the youngest). He makes no mention of sons Lewis, Tobias, and Noel, and a fair reading of the will indicates that he had no other sons aside from Michael, Conrad, Jesse, and William. Garr in his unpublished Wilhoit History makes the Jesse Wilhoit, the subject of this account, and William Wilhoit, both later of present Oldham Co., Ky, to be the sons of the Tobias Wilhoit who died in 1762. Others have followed Garr in this claim. But Garr offers not one shred of contemporary evidence to substantiate his claim, those who follow Garr can only quote Garr for their claims. Lewis Wilhoit who died 1783 certainly had brothers Jesse and William. In the many records found pertaining to them no attempt is made to ////////

distinguish them from any other Jesse and William. Jesse and William, brothers of Lewis, possess the field alone. Furthermore if they were the sons of Tobias of ~~1760-65~~ 1761-62, they would not likely be so much younger than their older brothers Michael and Conrad that they would not marry until about 1780. Michael and Conrad were both married before 1760. But of the numerous children of Jesse and William ~~15 more~~ of whom we have dates not one was born before 1782. Not one sure reference to Jesse and William, sons of Tobias, has been found aside from their mention in their father's will. The writer believes from this lack of mention that they both died young and unmarried.

The first mention found of our Jesse Wilhoit is dated June 1, 1777, when he was enrolled in Col. Morgan's Companies of Riflemen for service in the Revolution. This seems to have been the 11th Virginia Continental Line. The length of this service is not known. In January, 1781 a registration was made in Culpeper Co., Va of all males between the ages of 16 and 50. This list (now preserved at Richmond) gives the names of approximately 1400 men, which are divided into 106 classes of about 13 or 14 men each. One man was drafted from each class. In class 89 of this list appear 14 names, among them the names of William Wilhoit, Jesse Wilhoit, and Joel Wilhoit. The lot fell upon Jesse Wilhoit who is called a Draft. But after his name appears that of Lewis Wilhoit, called a Substitute. This is a bit strange since his name did not appear in this class. But there can be no doubt that this is the Lewis who died 1785, and that Jesse, William, and Joel are his brothers. Appearance in the same class certainly means proximity of residence. There seems to be nothing to show that Jesse Wilhoit did a second service in the Revolution nor has any record been found to show whether or not his substitute Lewis Wilhoit served in his place.

Jesse Wilhoit was taxed in Culpeper Co., Va, 1782, for 50 acres. In Madison Co., Va he was taxed for 50 acres, 1793 and 1794, and thereafter until 1807 for 100 acres. The additional 50 acres seems to have

come to him by deed of Tobias and Mary Wilhoite, Sept. 5, 1794, whereby they sell to Jesse Wilhoite 50 acres, joining Turkey Hole Mountain and John Towles. In Madison Co., Va, May 1, 1808, Jesse Wilhoit and wife Milly, described as of Madison Co., Va, sold land to Mark Finks. This seems to mark his departure for Kentucky. In Jefferson Co., Ky, we find him first in the tax-lists of 1809. A further mention of him is found in Madison Co., Va records, July 11, 1814 when Zachariah Wilhoit presents power of attorney from Jesse Wilhoit, described as of Jefferson Co., Ky, authorizing him to act for him in some matter of business. We know that Jesse Wilhoit married Mildred (Milly) ------, but her family name is unknown. This marriage took place about 1781 or a little before. We base this conjecture upon the fact that his oldest child, Simeon Wilhoit, first appears in his father's household as a tithable in 1798, and the age at which one became a tithable was 16. That puts Simeon's birth at about 1782. Milly Wilhoite (her mark) joined with Jesse Wilhoite (his mark) on Jan. 17, 1816 in selling land on Harrod's Creek, Jefferson Co., Ky, to Allen Wilhoite (their son). In the Oldham Co., Ky Order Books, Vol. 2, page 57, August, 1850, a power of attorney is recorded in which the names of the heirs of Jesse Wilhite and wife Mildred, dec'd, are given. Probably this record indicates that Mildred had only recently died. In the Jefferson Co., Ky records we find that at the meeting of the court, September, 1823, inventory of Jesse Wilhoyte, dec'd, is ordered. This record indicates that he died in September, 1823 or immediately before. But it is certain that he lived in that part of Jefferson which by a division made in 1824 became Oldham County. All later records pertaining to his family are found in the latter county. Jesse Wilhoit appears on the tax-lists of Jefferson from 1812 to 1820 for land on Harrod's Creek, the amount varying from 200 acres to 219 acres. In spite of the small variations I regard it as the same land. The precise location has not been determined but it is certain that it was on Harrod's Creek in present Oldham Co., Ky.

First Generation

1. Jesse Wilhoit and wife Mildred ------- had issue:

2. i. Simeon Wilhoit.

3. ii. Evans Wilhoit.

4. iii. Allen Wilhoit.

5. iv. Zachariah Wilhoit.

6. v. Larkin Wilhoit.

7. vi. Margaret Wilhoit.

vii. Lucy Wilhoit, married Jesse Lacy, Jan. 20, 1820, Jefferson Co., Ky. Jesse Lacy is mentioned as one of the heirs of Jesse and Mildred Wilhoit, dec'd, in the August, 1830 record, mentioned above. No further record.

The above order may not be entirely correct. It is based upon the dates or births as far as known, and upon the ages as reckoned from the order of their marriages.

Second Generation

2. Simeon Wilhoit (son of Jesse Wilhoit, 1) was born in present Madison Co., Va, about 1782. This date is determined from the fact that Jesse Wilhoit had no second tithable in his household in 1797 but did have one in the years 1798-1803. A male became a tithable at the age of 16. So we may assume that Simeon was born the latter part of 1781 or in 1782. He died in Jefferson Co., Ky (part now Oldham) in 1817 or immediately before for in that year his brother Allen Wilhoit was taxed for himself and for Simeon Wilhoit, dec'd. Elsewhere it is shown that he was admr of Simeon Wilhoit's estate. Simeon Wilhoit married Mildred Murphy, Oct. 3, 1809. This record and others are obtained from his family Bible, still in existence. Since Simeon's father was in Kentucky at this time we would expect to find Simeon's marriage in the Jefferson Co., Ky records but it does not seem to be there. Tradition in one line of descent from Simeon claims that an uncle misused their estate. The fact that Zachariah Wilhoit was made guardian in 1824 for the infant children of Simeon seems to confirm this

tradition but the fact that Allen Wilhoit continued to serve as admr implies that that there was nothing criminal about the alleged misuse. Simeon Wilhoit's family Bible, above referred to, (~~xxxxxxxx~~ in the possession of Mrs. George Mellor, Greenfield, Ill.,· 1940) gives the names and births of Simeon's children as follows:

i. Alpheus Wilhoyte, born July 7, 1810. He was taxed in Oldham Co., Ky, 1834, 1836. On Aug. 15, 1836, same county, Alpheus Wilhoyte, Jesse Wilhoyte, Gibson Wilhoyte, and Simeon Wilhoyte sold~~x~~ 3½ acres on Harrod's Creek to Jesse Yager for $800.00. An authentic tradition says that Alpheus Wilhoit went to Oregon and was living as late as 1890. No further record.

8. ii. Jesse H. (Henry, as we learn from other records), Wilhoyte, born Dec. 18, 1811.

iii. Gipson Wilhoyte, born Sept. 18, 1813. See above under Alpheus Wilhoyte. He is a taxable in Oldham Co., Ky, 1836-37. On~~x~~ June 5, 1835, Oldham Co., Ky, he married Amanda Hardin. On Nov. 20, 1839, Gipson Wilhoite and wife Amanda, described as of Lafayette Co., Mo., sold land on Harrod's Creek, Oldham Co., Ky, to Butler Stonestreet, for $2895.00. No further record.

9. iv. Simeon J. (Hamison, as we learn from other records) Wilhoyte, born May 11, 1815.

3. Evans Wilhoit (son of Jesse Wilhoit, 1) was born May 13, 1787, died May 4, 1865. He is buried along with his wife in a ~~xxxxxxxx~~ Wilhoit burying-ground in Oldham Co., Ky. He married Rhoda Aylor, Dec. 10, 1807, Madison Co., Va, who was born June 14, 1781, died Aug. 15, 1849. He is a taxable in Jefferson Co., Ky, 1809 to 1824. In Oldham, 1824, he was taxed for 65 acres. In same county, 1830 to 1834, he was taxed for 150 acres on Harrod's Creek. In April, 1830 he bought 46 acres of Zachariah Wilhoyte and wife Juda, on Harrod's Creek, joining Loving Garrot and Evans Wilhoit. On Aug. 16, 1830 Evans Wilhoyte bought of Allen Wilhoyte and wife Lucy land on Harrod's Creek. He appears in the 1850 census of Oldham, his age given as 63, and birthplace as Virginia, and the value of his property as $4500.00. He appears alone in this census. His wife had died in 1849 and his children had apparently all married and left the parental roof. Issue:

i. Frances Wilhoite, married James Vincent, July 18, 1831 (license), Oldham Co., Ky, had Rhoda Vincent (married ------- Bowen (?), no issue), Juretta Vincent (married William Milton, no issue), Andrew Jackson Vincent (died single), Joseph Vincent (died single), and Thomas Vincent (married and had issue, names not learned).

10. ii. Meredith Jefferson Wilhoite.

11. iii. Zachariah ~~B.~~ Bluford Wilhoite.

12. iv. Jacob Wilhoite.

13. v. Lucy Wilhoite.

14. vi. Virenda H. Wilhoite.
vii. Juretta Wilhoite. No record. (Garr mistakenly gives her name as Jarrett).

4. Allen Wilhoit (son of Jesse Wilhoit, 1) was born July 26, 1789, died June 13, 1863. He married Lucy Nelson Huston, widow of Eli Huston, Oct. 14, 1819 (ceremony by the Rev. Ben Allen). Garr gives the date of her birth as Dec. 20, 1804 but the 1850 census gives her age at that time as 56, hence born about 1794. Probably we may date her birth as Dec. 20, 1794, assuming that Garr had month and day correct. Garr gives date of her death as July 14, 1865, In 1817 and later Allen Wilhoit was admr of his deceased brother Simeon Wilhoit. In 1817 in Jefferson Co., Ky, he was taxed for 13 acres and for 175 acres in 1818. In 1833 he was taxed for 59 acres in Oldham on Harrod's Creek, and in 1837 for 250 acres. On Apr. 20, 1825 Allen Wilhoit and wife Lucy sold 5 acres to James Cole; and on Aug. 16, 1830 they sold land on Harrod's Creek to Evans Wilhoite. In the 1850 census of Oldham he appears as aged 62 (off by one year), with wife Lucy, aged 56, and children, James, aged 24, John, aged 22, Alex., aged 19, and Cornelia, aged 10. Issue:

15. i. Richard Mason Wilhoite.

16. ii. James Sims Wilhoite.

iii. John William Wilhoite, born Sept. 20, 1827, died Apr. 25, 1856.

iv. Alexander Campbell Wilhoite, born Aug. 7, 1831 (?), died Feb. 26, 1886.

v. Cornelia Analiza Wilhoite, born Apr. 28, 1840.

5. Zachariah Wilhoit (son of Jesse Wilhoit, 1) was born July 30, 1791, died Feb. 22, 1835. He married Judith Clore, Aug. 30, 1816, Jefferson Co., Ky, who was born Dec. 20, 1797, died July 12, 1882. (She is number 110 in my Clore History). In 1824 he was made guardian of the children of his dec'd brother Simeon Wilhoit. In the period before 1835 there are two Zachariah Wilhoits appearing in the tax-lists, and though they are sometimes differentiated by Sr and Jr it is not always easy to distinguish them. I believe the Sr is the Zachariah of this account, son of Jesse. The other Zachariah is sometimes called Zachariah S. Wilhoit, and was the son of William Wilhoit, brother of Jesse. Zachariah Wilhoit who in 1833 was taxed for 310 acres and immediately after in the list "for the infant heirs of Simeon Wilhoite/" may be identified as the son of Jesse. Mrs. Judith Wilhoite was taxed for 1835 163 acres and in 1837 for 166 acres. She was the widow of Zachariah, who died 1835. The land is described as lying on Harrod's Creek and Pond Creek and along with this as admx of Z. Wilhoite she was taxed for 6 acres belonging to Simeon Wilhoit's heirs. Evidently she fell heir to her dec'd husband's guardianship. Harrod's Creek and Pond Creek come very close together in the extreme southwest part of Oldham and it was there apparently that Zachariah lived. In April, 1830 Zachariah Wilhoyte and wife Judith sold to Evan Wilhoyte 46 acres on Harrod's Creek, joining Loving Garrot and Evans Wilhoyte. Zachariah Wilhoyte made will Feb. 17, 1835, probated Mch 16, 1835, Oldham Co., Ky. The will was witnessed by William Pollock, William H. Allen, John Clore, and Allen Wilhoyte. Testator mentions wife Judia (Judith, of course) and children, but not by name. He appointed John Clore and Harry Goodwin as exors. A deed dated Feb. 24, 1837 is relevant here. James Clore and wife Eliza, late Elizabeth Wilhoite, Allen Wilhoite (not the son of Jesse, 1, but Benjamin Allen, son of Zachariah), Amanda Wilhoite, Martha Wilhoite, Matilda Wilhoite, Malinda Wilhoite, and Lucy Wilhoite, children and heirs of Zachariah Wilhoite, dec'd, sold

to Allen Wilhoite. Two of these names are not preserved in family tradition, namely, Matilda and Malinda. They may have died young. Issue:

17. i. Eliza (or Elizabeth) Wilhoit.

18. ii. Benjamin Allen Wilhoit.

iii. Amanda Wilhoit, born May 13, 1824, died Aug. 19, 1839.

iv. Martha Jane Wilhoit, born Jan. 6, 1827, married Silas Leonard. No further record.

v. Matilda Wilhoit.

vi. Malinda Wilhoit.

19. vii. Lucy Ann Wilhoit.

6. Larkin Wilhoit (son of Jesse Wilhoit, 1) married Anna Smith, Nov. 17, 1815, Jefferson Co., Ky (ceremony by the Rev. William Kellar). He was taxed in Jeffereon Co., Ky, 1817-24. In Oldham Co., Ky, 1824, he was taxed for 34 acres; in 1828-29 for 50 acres. and in 1833 for 230 acres. On Aug. 7, 1826 Larkin Wilhoite and wife Ann sold 34½ acres to Jesse Yager. In August, 1830 he is named as one of the heirs of Jesse Wilhoit and wife Mildred Wilhoit, dec'd. His last appearance is 1833. In the lists of 1834 the name of Ann Wilhoit first appears. From this we deduce that Larkin Wilhoit died in 1833 or the first part of 1834. As Ann H. Wilhoit she appears in the 1835 and 1837 lists, in the latter year being taxed for a lot at Floydsburg. She appears in the 1850 census of Oldham as Ann H. Wilhite, aged 62, with one Buckner Wilhite in her household, aged 21. Issue:

i. Mildred Ann Wilhoit, married Thomas Wiggins, Nov. 17, 1840, Oldham Co., Ky, being described as the daughter of Ann H. Wilhoit. No further record.

ii. Buckner Wilhoit, born about 1829.

7. Margaret Wilhoit (daughter of Jesse Wilhoit, 1) married Loving Garriott (his name elsewhere appearing as William Loving Garriott), Jan. 17, 1809, Jefferson Co., Ky (ceremony by the Rev. William Kellar). In August, 1830, Margaret Garriott, wife of Loving Garriott, is named

as one of the heirs of Jesse Wilhoit and Mildred Wilhoit, dec'd.

The deed of Zachariah Wilhoyte to Evan Wilhoyte, April, 1830 (see above) shows that Loving Garriott was then living on Harrod's Creek, Oldham Co., Ky. On Aug. 13, 1849, Loving Garrett and wife Margaret, described as of Trimble Co., Ky, sold land in Oldham Co., Ky. They may have had at least several children, but we have the names of but ~~one~~ two:

i. Evan Garriott, married Lucy Shirley, Oct. 10, 1837, Oldham Co., Ky, who was born June 20, 1819. She was the daughter of William Shirley and wife Elizabeth Clore (number 32 in the writer's Clore History). Evan Garriott had grandson T. Lovin Garriett, living at Campbellsburg, Ky, 1912.

ii. Loving Garriott, died about 1898.

Third Generation

8. Jesse Henry Wilhoit (son of Simeon Wilhoit, 2) was born Dec. 18, 1811, died Dec. 20, 1890, at Greenfield, Ill., to which place he moved about 1850. He married Martha R. Booker, widow of Thomas Wilhoit, Apr. 13, 1837, Oldham Co., Ky. Martha R. Booker was born Oct. 25, 1808, died Jan. 5, 1881, Greene Co., Ill. She married 1. Thomas Wilhoit, Nov. 11, 1833, son of William Wilhoit and wife Elizabeth Shirley, and bore him two children whose names will appear in my intended account of William Wilhoit. Tradition says that after the death of Thomas Wilhoit, Jesse Wilhoit, a close neighbor, came to do the work on Martha's farm, and one morning he said, "Martha, why don't we get married and run this place together?" She told him she would think it over and give him his answer in the evening. And the answer was Yes. Issue of Jesse Henry Wilhoit:

20. i. Lucy Mildred Wilhite.

21. ii. Samuel Marshall Wilhite.

iii. Richard Edward Wilhite, born Oct. 19, 1844. Before he was 18 he enlisted for service in the U. S. A. in the Civil War. In the fall of 1863 while serving in southern Texas he became ill and while being taken by ship back home died and was buried at sea (Gulf of Mexico). Single.

22. iv. Ann Eliza Wilhite.

23. v. Simeon Franklin Wilhite.

9. Simeon Jamison Wilhoit (son of Simeon Wilhoit, 2) was born May 11, 1815, in present Oldham Co., Ky, died 1906, in San Luis Obispo Co., Calif. He married 1. Mildred Ann Hardin, Feb. 2, 1836. This marriage is said to have occurred in Hardin Co., Ky. It is not found in Oldham. She is said to have died in 1852 at Los Angeles, Calif. ~~////////~~ She was born Aug. 30, 1823. He married 2. Elizabeth Harper, who is buried at Prineville, Ore. It is claimed that he went to Jackson Co., Mo., and remained there till his parents' death in 1848. This may be correct so far as his mother is concerned but his father certainly died in Kentucky in 1817 or immediately before. He later went to Oregon, as it is claimed, "with his brother John Wilhoit who founded Wilhoit, Oregon". His father's family Bible and the deed, cited above, of Aug. 15, 1836 certainly prove that there was no John, son of Simeon (2) unless he was the same as Alpheus, his name being John Alpheus Wilhoit. Issue of Simeon Jamison Wilhoit (by his first wife):

i. Lucy A. Wilhoit, born May 9, 1838, died 1851 in California.

24. ii. Henry Wilhoit.

25. iii. Jesse Wilhoit.

26. iv. Mary Ellen Wilhoit.

The above 35-page account of Jesse Wilhoit and his descendants was finished by me, Nov. 17, 1940. It is based upon all the materials at that time in my possession. It is not likely that I shall ever pursue this line further excepting for those who intermarried into the Broyles, Yager, and Clore families.

A. L. Keith

A sketch of Jesse Wilhoit and descendants, made July, 1939, and based upon Garr's records, and material secured in the winter of 1938-39, chiefly, upon material sent me by Miss Juretta V. Bamber, 1013 E. Market St., Jeffersonville, Ind.

First, I disagree with Garr who makes this Jesse Wilhoit the son of Tobias Wilhoit who died in Culpeper Co., Va (part now Madison), 1762. This Tobias did have a son Jesse but I believe the Jesse of this account was the Jesse, brother of Lewis Wilhoit, who died in Culpeper Co., Va, 1783, which Lewis in his will names brothers Tobias, Jesse, William, and Joel Wilhoit. I regard this group of brothers as the son of Matthias Wilhoit, brother of the Tobiss who died 1762.

Jesse Wilhoit married Mildred ---------, probably about 1780. In Madison Co., Va, Mch 1, 1808, Jesse Wilhoit and wife Milly, described as of Madison County, sold land to Mark Finks. On July 11, 1814 Jesse Wilhoit, described as of Jefferson Co., Ky, appointed Zachariah Wilhoit as his attorney in regard to some interest in Madison Co., Va. Between these two dates Jesse Wilhoit moved from Madison Co., Va to Jefferson Co., Ky, or rather to part now Oldham Co., Ky. The date of his death has not been learned.

1. Jesse Wilhoit and wife Mildred --------- had issue:

i. Simeon Wilhoit, married Mildred Murphy. He is probably the Simeon Wilhite, aged between 26 and 45, appearing in the 1810 census of Jefferson Co., Ky, with wife between 26 and 45, and one male under 10. No record further of this Simeon has been found. His marriage does not seem to have been recorded in Jefferson Co., Ky.

2. ii. Evans Wilhoit, born May 13, 1787, died May 4, 1865.

3. iii. Allen Wilhoit, born July 26, 1789, died June 13, 1863.

4. iv. Zachariah Wilhoit, born July 30, 1791, died Feb. 22, 1835.

v. Larkin Wilhoit, married Anna Smith, Nov. 17, 1815 (license), Jefferson Co., Ky. No further record.

vi. Margaret Wilhoit, married Loving Garriott, Jan. 17, 1809 (ceremony performed by the Rev. William Kellar), Jefferson Co., Ky. They had at least one son, named Evan Garriott, who married Lucy Shirley in Oldham Co., Ky, Oct. 10, 1837 (license), who was born June 20, 1819, daughter of William Shirley and wife Elizabeth Clore (number 32 in the writer's Clore History). Loving Garriott's name is also given as William Loving Garriott. No further record.

vii. Lucy Wilhoit, married Jesse Lacy, Jan. 20, 1820, Jefferson Co., Ky. No further record.

2. Evans Wilhoit (son of Jesse Wilhoit, 1) was born May 13, 1787, died May 4, 1865. He is buried along with his wife in a private Wilhoit burying-ground in Oldham Co., Ky. He married Rhoda Aylor in Madison Co., Va, Dec. 10, 1807, who was born June 14, 1781, died Aug. 15, 1849. They probably moved to present Oldham Co., Ky, about 1808.

JOHN WILHOIT

The John Wilhoit (Wilhite, etc) of this article was the son of Michael Wilhite who made will in Orange Co., Va, Jan. 1, 1742/43, probated June 26, 1746. Michael Wilhite patented land in present Madison Co., Va, Sept. 28, 1728. Presumably his son John was there as early as that date but no record of him has been found until several years later. On May 18, 1756, Orange Co., Va, John Wilhite made oath that he was imported into this Colony immediately from England and this is the first time of proving his importation in order to obtain rights for land. On the same day and in identical language (except for change of name) Michael Wilhite, Tobias Wilhite, Conrade Amberger, Peter Weaver, and Matthias Kerchler proved their importations. All the above parties of course were Germans and the words "immediately from England" may mean no more than that they stopped briefly at England while in transit, though they may have done as other Germans did and spent several years in England. If John Wilhite took up land immediately after proving his importation we have found no record of it. In a list of tithables of Orange Co., Va, 1738-39 the names of Tobias Wilhite, Mithaell (error for Michael) Wilhite, and John Wilhide (error for Wilhite) are found. In Orange Co., Va, Sept. 8, 1745 John Wilhoit witnessed will of Frederick Bungardner, along with Dieterich Weaver, Tobias ------ (the incomplete name was doubtless Tobias Wilhoit), The will was proved by Peter Weaver and John Wilhoit. (Could Dieterich Weaver and Peter Weaver be the same man?). Peter Weaver and John Wilhoit were the sureties for Catharine Bungardner, the exor of the will. The bond of John Carpenter, admr of Andrew Kercher, dec'd, recorded July 27, 1738, Fredk Cobler and John Willhite (sic) were the sureties. John Willhoit patented 403 acres in Culpeper Co., Va (which came off from Orange about 1748), Nov. 16, 1756, on the little forks of the Rappahannock River, joining John Botts.

On June 16, 1763 John Wilhoit and wife Margaret (both made marks) sold to William Morris 403 acres described at patent of John Wilhoit of Nov. 16, 1756, and as being in Great Fork of Great Mountain, near Thomas Gap, beginning at branch near North River on north side thereof. No other land transactions of John Wilhoit have been found. It seems he must have owned another tract of 116 acres for which his wife Margaret Wilhoit was taxed, 1782 and in Madison Co., down to about 1809. This land lay about 9 miles a little north of east of the Madison C. H., and on Thoroughfare Mt. No record seems to exist showing how it came into the Wilhoit family. Peter Weaver and Frederick Bungardner also lived near Thoroughfare Mt.

The date of John Wilhoit's birth is not known but since he was evidently planning to take up land in 1736 we may suppose he was then of marriageable age and probably born about 1710-15. He died shortly before Nov. 18, 1776, on which date in Culpeper Co., Va, the court ordered an inventory made of the estate of John Wilhoit, dec'd. In the Carr Genealogy, page 519, it is stated that he married Margaret (Peggy) Weaver. Carr does not cite his authority but it is probably correct. John Wilhoit lived near the Peter Weaver plantation and as we have seen there were several associations between John Wilhoit and Peter Weaver. However Margaret was not Peter's daughter, for the will of Peter Weaver, 1763, names no such daughter. She appears on the land tax-lists of Madison Co., Va down to 1809, taxed for 116 acres. John Wilhoit (her son) is taxed for 116 acres in 1810 and it is stated that he secured this land of M. Wilhoit. She probably died about this time.

Although John Wilhoit died in 1776, his estate was not divided until 21 years later. In Madison Co., Va, Oct. 4, 1797, division was ordered by consent of John Wilhoite, heir-at-law of John Wilhoite, dec'd. The heirs named are John Wayland, John Wilhoite, John Gaar, John Gant, John Yager, Nicholas Yager, heirs of Daniel Wilhoite, Joseph Wilhoite, Andrew Garr, heirs of Nicholas Yeager, and Barnett Fisher.

Allowance was made to Elisha Yager for taking letters from John Wilhoite to John Gaunt. From this we infer that John Gant (Gaunt) did not live in Madison Co. at that time. From the record of this division we learn that John Wilhoit had 4 sons, namely, John Wilhoit, Nicholas Wilhoit, Daniel Wilhoit (dec'd in 1797), and Joseph Wilhoit. He also had 7 daughters, namely, Rosa Wilhoit (married John Wayland), Margaret Wilhoit (married John Gaar), Elizabeth/ Wilhoit (married John Gant or Gaunt), Mary Wilhoit (married John Yager), Christena Wilhoit (married Andrew Gaar), Susanna Wilhoit (married Nicholas Yager), and Eve Wilhoit (married Barnett Fisher). The above order is probably not the order of the ages but will be the one followed below. This paper does not aim to give complete account of John Wilhoit's descendants. To secure this complete account one will need use the Garr Genealogy and the present writer's unpublished papers, to which reference will be made at the proper place.

7. Elizabeth Wilhoit (daughter of John Wilhoit, 1) married John Gant or Gaunt. No further record unless he is identical with the John Gaunt who died in Mercer Co., Ky, about 1816. His wife's name is given as Jane, then married to ----- Eccles, but she could have been a second wife. Nicholas Wilhoit, son of John Wilhoit (1) also settled in Mercer Co., Ky, which adds to the probability that this John Gaunt is identical with the one who married Elizabeth Wilhoit.

I completed this 20-page account of John Wilhoit, Apr. 14, 1941. I feel confident it contains all that is given in Garr's unpublished Wilhoit Genealogy. It does not pretend to give all that is found in the Garr Genealogy. Some material is here given which is not found in either of the above sources. I have not given here some considerable material found in several papers of the writer.
